MINI_CHECKERS_C_R_001

The image shows a printable board game for Mini-Checkers. At the top, there are two rows of pieces: a row of green trucks and a row of yellow excavators. Each piece is shown next to a vertical strip of black and yellow diagonal stripes, which serves as a foldable tab. Below this is a large 8x8 checkerboard grid with alternating black and yellow squares. At the bottom, there are two more rows of pieces: a row of yellow excavators and a row of green trucks, each with a corresponding striped tab. Dashed lines and scissors icons indicate where to cut out the pieces and the board. A logo for 'CODY'S CREW' is in the top right corner, and the text 'MINI_CHECKERS_C_R_001' is printed vertically on the right side of the board.
